

IMPERIAL
HARVEST

AUSPICIOUS
WEDDING DATES

2024

Start your marriage on the right foot to welcome a smooth-sailing and blissful future ahead.

Why do you need an auspicious wedding date?

Selecting a favourable and auspicious wedding date for matrimonial events such as weddings, Guo Da Li (过大礼) and An Chuang (安床) ceremonies helps to ensure that everything flows effortlessly on your actual day. It represents a positive start to your married life – bringing good fortune, prosperity and happiness to you and your partner.

Things to note

The highlighted dates are auspicious dates where you may consider carrying out a joyous occasion.

Zodiac Clash refers to the date that you should avoid if you are born in the year of that specific zodiac sign. For example, those born in the year of the Dragon should avoid getting married, or carrying out any matrimonial events, on 11 January 2024.

Bad Direction refers to the direction you should avoid facing when carrying out the event.

**Disclaimer*

The dates included in this calendar are for general reference. For an accurate and personalised date selection, more information about the couple is required. Get in touch with Imperial Harvest's expert consultants for more information on our date selection services.
