IMPERIAL
HARVEST

01

Position yourself such that your body faces the auspicious directions.

02

Meditate on important decisions while your body is facing the auspicious direction. When you face the auspicious directions, you are borrowing luck from the heavens.

The Imperial Harvest jadeite, agarwood and sandalwood blessed by Master David will amplify heavenly luck by multi-folds.

03

Meditating with your Imperial Harvest treasure is recommended for all wealth-related activities.

Ideal for closing multi-million-dollar deals, winning negotiations, important discussions, buying 4d/toto and scoring well in exams.

04

NIL means that there are no auspicious Qi available during that particular time frame. Not favorable to arrange for critical meetings.
